

FREEDOM ELEMENTARY PLAYGROUND FUNDRAISER

Freedom Elementary needs a new playground and we need your help! The current playground equipment is outdated and has been taken out of service — sections blocked off with orange safety fencing. Our kids need a safe, engaging space to play, move, and grow — and we have a plan to make it happen. A group of donors has committed to matching every community dollar raised, up to \$85,000. Every dollar you give is doubled until we reach our goal — unlocking a brand-new \$170,000 Burke playground in the 2026-2027 school year.

We are asking FES families to help with fundraising efforts by contributing and/or asking others to invest in this new playground by sharing the online giving page link. The top 10 FES families who raise the most for this fundraiser will be invited to the playground ribbon cutting ceremony. Every contribution, big or small, leaves a lasting legacy for future Irish. All donations are tax deductible. Join us in helping make this vision a reality—**donate today!**
